Sandy Rose : Istanbul Travel Guide: The Ultimate Guide to Travel to Istanbul on a Cheap Budget: Istanbul, Istanbul Book, Istanbul Guide, Istanbul Tips, Istanbul Facts before purchasing it in order to gage whether or not it

would be worth my time, and all praised Istanbul Travel Guide: The Ultimate Guide to Travel to Istanbul on a Cheap Budget: Istanbul, Istanbul Book, Istanbul Guide, Istanbul Tips, Istanbul Facts:

0 of 0 people found the following review helpful. I was concerned about whether I would like the food in Istanbul but after reading about all ...By Monica MackenzieMy boyfriend and I are wanting to book a trip to Europe / Middle East. We haven't decided exactly where we want to visit yet so I thought I'd buy a few travel books to compare. I was concerned about whether I would like the food in Istanbul but after reading about all the yummy dishes like "Kofte-turkish meatballs, adana kebab- spicy lamb skewers and iskender kebab- beef doner" there is nothing to worry about. Not only did this book recommend great food it also tells you where different dishes are located. Also very helpful in deciding on places to stay " If you are a first time visitor, then consider staying in Sultanahmet" This book sold me on traveling to Istanbul!0 of 0 people found the following review helpful. Informative and useful bookBy Bob SmithInformative and useful book, contains a lot of information where to go, what to see and what to eat. I took an advice to taste Bahlava and it was delicious! Istanbul is famous for Bahlava, well not only. But if you go to other parts of Turkey you cannot find it or if you find it it will be not so good as in Istanbul. I would also recommend to include Prince Islands, just an hour from Istanbul port by ship, a perfect place for swimming and also delicious ice cream!0 of 0 people found the following review helpful. Don't buy the print version..By candid_reviewI am sorry, but the price of \$9.99 for a little double-spaced cheap pamphlet is a bit of a joke. My comment is about the print version.For \$9.99, I expect maps, directions, hints, prices etc. etc. The title of the book is completely misleading: 'the ultimate guide..' not really. 'Cheap budget': hardly anything useful information on low cost hotels/food. No maps of course. No photographs. Just the feel of a cheap home-project.

Istanbul Travel Guide: The Ultimate Guide to Travel to Istanbul on a Cheap Budget This book contains proven steps and strategies on how to travel to Istanbul on a budget and enjoy the rich heritage of the beautiful country even on a shoestring budget.
