shawndeez : My Iran: an Iranian-American experience back home before purchasing it in order to gage whether or not it would be worth my time, and all praised My Iran: an Iranian-American experience back home:

1 of 1 people found the following review helpful. Amazing.By CustomerI sat down and read this entire book the second FedEx dropped it off. my iran offers an amazing insight into the untold lives of Iranians and Iranian-

Americans. Rather than focusing on the politics and stereotypes that surround the country, this book shares the humanity and culture. It's an amazing read and very understandable for those who are not familiar with the region or history. I definitely recommend. 1 of 1 people found the following review helpful. An amazing journey of a brilliant young lady in search of ...By Parviz An amazing journey of a brilliant young lady in search of her roots. She has written with her heart and one could easily feel the warmth and sincerity of her experiences as she reflects on them. The vivid stories came to life several times and manifested as tears in my eyes. Well done. 1 of 1 people found the following review helpful. Beautifully written- I truly enjoyed this read By Customer Beautifully written- I truly enjoyed this read. I am also Iranian American and related so much to what I was reading. This book filled me with pride, joy, happiness, memories of great times, and memories to be had. It's a quick and intriguing read, highly recommended to all!

A gripping and inspirational story, *My Iran* takes us along the journey of a young Iranian-American woman's personal account of visiting her home country for the first time. Highlighting the difficulties of adjusting to cultural norms, shawndeez shares her experience of traveling all over Iran by plane, bus, car, and boat. Inviting young diaspora Iranians to engage with their homeland, *My Iran* pushes us all to explore the many beauties of Iran in a new light.
