Mr Martins Rocha de Souza : My Way to the Seven Seas: A Brazilian Boys Tale of Resilience, Achievement Adventure before purchasing it in order to gage whether or not it would be worth my time, and all praised My Way to the Seven Seas: A Brazilian Boys Tale of Resilience, Achievement Adventure:

1 of 1 people found the following review helpful. Five StarsBy anabell haven't finished it but it's an inspirational piece of work!1 of 1 people found the following review helpful. Travel! Adventure! An Inspirational True Story.By

CustomerAn inspirational true story, of one boys hard work and desire to get the most that life has to offer! I particularly enjoyed Martines tales of growing up in Sao Paulo, Brasil. Very funny and heartwarming. His stories about working at sea onboard the worlds best ships and cruise lines are equally intriguing and gives the reader a great insight to crew life, the laughs and friendships to be had working on ships. I thoroughly enjoyed this book, plus its an interactive book also and very easy to use, just scan the QR code on the various pages to take you to Martines pictures and videos of his time working at sea! Very clever and fresh idea. It's finally a delight to read a true account of how hard one must work to achieve their goals. Martines story deserves a chance to be heard if you are someone that enjoys travel, adventure and real life stories then I highly recommend My Way to the Seven Seas. A Must Read! Bravo Martines1 of 1 people found the following review helpful. A Great Story By a Great Guy!By CustomerI've met Martins a few times over the years, not only is he a likeable person, he has a resliance at his very core that has made him the man he is today! From very humble roots, he's never taken life for granted and appreciates what's involved and what you need to do to get through the struggles that life throws at you sometimes. His story is a story worth reading, and it is inspiring. It's been a pleasure to have met him and spent time with him.

An extraordinary story of youth adventure, achievement and resilience ... where the print on the page is brought to life through amazing online photos and film. A young and poor Martines left his home in a small village in Brazil with little education. As this book goes to print, he has visited some 80 countries and hundreds of cities, and is a successful, respected employee of one of the most prestigious ocean liner companies in the world. He is also the proud owner of a hotel in Brazil. Martines shares funny, touching and courageous stories of his experience of a life worth living. He had never expected to achieve so much; this book invites you to follow his journey of self-discovery as he travels the world.This new and fully revised book is an interactive multimedia experience. You can read the story ... you can also actually visit the places and see the people that Martines encounters. By using the QR codes and web links throughout this book, you can watch Martines' videos and share in what he experienced on his personal journey and travels.
