Susan Hoffer McMillan : Myrtle Beach and the Grand Strand (SC) (Images of America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Myrtle Beach and the Grand Strand (SC) (Images of America):

0 of 0 people found the following review helpful. Color photos should've been printed in colorBy TMacThis was a good book, don't get me wrong. Lots of old rare pictures and postcards of Myrtle Beach of yesterday. But none of the photos in the book are in color. Everything is in black and white including the photos from the 1970-2000's that obviously are in color. And that was kind of disappointing to me. But I still overall enjoyed the book.0 of 0 people found the following review helpful. Myrtle Beach LivesBy A CustomerIf you were lucky enough to visit Myrtle Beach SC when the Pavilion was on the Grand Strand then you will love this book. Great history of the beginning and

end of the great Myrtle Beach for the past 50 years.0 of 0 people found the following review helpful. A look back in time- Great pictures!By CustomerI got this book for our trip to Myrtle Beach. It brings a story about the beach, from long ago. Very satisfied with my purchase.

Myrtle Beach and the Grand Strand have become the world's playground. What began over a century ago as local beach retreats between Little River and Georgetown have changed so dramatically that their history is endangered. Wide beaches, warm surf, and abundant wildlife ignited a resort phenomenon that now offers world-class hotels, dining, shopping, entertainment, and recreation. This volume retraces the area's progression from Myrtle Beach's humble beginning in 1901 through the middle years of the 20th century to beyond 1954, when Hurricane Hazel crushed the Grand Strand and determined owners rebuilt their resorts with strength and grandeur. Included among these 240 vintage images are scenes of early dance pavilions, favorite tourist venues, and quaint cottage hotels in old Myrtle Beach. There are yesteryear views of Murrells Inlet and the beaches of Surfside, Garden City, and Pawleys Island, and vintage photographs of Ocean Drive and surrounding beaches in North Myrtle Beach. Susan Hoffer McMillan, author of two vintage postcard histories on coastal South Carolina, delves deeply into the history of Myrtle Beach and the Grand Strand to share her fascination with its past through this unprecedented photograph collection. Whether you recall memories of places in this book or just seek to understand the evolution of Myrtle Beach and the Grand Strand, you will enjoy forgotten images that illuminate and preserve the past for future generations.
