National Geographic Society : National Geographic Beginner's World Atlas (New Millennium) before purchasing it in order to gage whether or not it would be worth my time, and all praised National Geographic Beginner's World Atlas (New Millennium):

This is a state-of-the-art world atlas for children aged 5-8. Large, easy-to-read maps introduce youngsters to the world and each of its continents, with full-colour photographs to make the people, places and natural wonders come to life.'
