The calendar is very detail and beautiful. 0 of 0 people found the following review helpful. Good calendar By B. Binder Really nice photos. Would give it 5 stars, but the date numbers are light gray -- would be more helpful if they were black. It's a calendar, after all. Otherwise perfect. 0 of 0 people found the following review helpful. Beautiful, photogenic calendar of Germany By Nan Beautiful calendar. Will remind me throughout 2017 of the trip we took to Germany this past summer! Looking forward to using it.
