National Geographic : National Geographic Guide to Scenic Highways and Byways, 4th Edition: The 300 Best Drives in the U.S. (National Geographic's Guide to Scenic Highways Byways) before purchasing it in order to gauge whether or not it would be worth my time, and all praised National Geographic Guide to Scenic Highways and Byways, 4th Edition: The 300 Best Drives in the U.S. (National Geographic's Guide to Scenic Highways Byways):

4 of 4 people found the following review helpful. Note that the map by the same name is a lot less useful. By J. Michener Very helpful guide - used it extensively on a recent car trip across the SE. Note that the map by the same name is a lot less useful. 1 of 1 people found the following review helpful. Five Stars By l. stevenson Awesome reference 0 of 0 people found the following review helpful. I would love this if it covered all of the scenic highways ... By S Smith I would love this if it covered all of the scenic highways instead of just a sampling. It is definitely better than nothing and nice as far as it goes.

Discover America's best scenic drives--plus 25 new drives--mile by mile, in this photo-filled, detail-packed National Geographic Guide to Scenic Highways and Byways, 4th Edition. There are famous drives here, including the Blue Ridge Parkway, the Natchez Trace, and some of the prettiest sections of the Great River Road; and lesser-known drives as well, including the back roads of Pennsylvania's Dutch Country; Maryland's quiet Eastern Shore; and Michigan's remote Whitefish Bay. Some drives are jaw-droppingly magnificent--Wyoming's Centennial Scenic Byway and Oregon's dramatic Columbia River Gorge--while others possess quiet beauty, such as the lovely Flint Hills byways of Kansas. Among the 25 new drives is the Harriett Tubman Underground Railroad Byway in Maryland; Scenic Byway 143--Utah's Patchwork Parkway; and Washington's White Pass Scenic Byway. Describing the scenery, history, and points of interest along each route, veteran National Geographic writers combine their regional knowledge and storytelling techniques to ensure that your next road trip is a success. Also included are 375 glorious photographs and four-color maps for every drive, along with information on road conditions, driving times, site addresses, visiting hours, admission fees, and more. It all adds up to a "must have" reference for every adventurous motorist.

"In addition to the informative overviews of each of the routes, the book includes more than 350 color photos to help you decide where to go and 280 detailed maps to help get you there." --Trailer Life About the Author NATIONAL GEOGRAPHIC is one of the world's leading nonfiction publishers, proudly supporting the work of scientists, explorers, photographers, and authors, as well as publishing a diverse list of books that celebrate the world and all that is in it. National Geographic Books creates and distributes print and digital works that inspire, entertain, teach, and give readers access to a world of discovery and possibility on a wide range of nonfiction subjects from animals to travel, cartography to history, fun facts to moving stories. A portion of all National Geographic proceeds is used to fund exploration, conservation, and education through ongoing contributions to the work of the National Geographic Society.
