National Geographic Society : National Geographic Hawaii 2017 Wall Calendar before purchasing it in order to gauge whether or not it would be worth my time, and all praised National Geographic Hawaii 2017 Wall Calendar:

0 of 0 people found the following review helpful. Five StarsBy CustomerGood wall calendar, beautiful selection of pictures from Hawaii.0 of 0 people found the following review helpful. Daily reminder of the beauty of HawaiiBy C. JunodBeautiful pictures, takes me back to my Hawaii vacations.0 of 0 people found the following review helpful. Five StarsBy RSBAAlways enjoy this calendar. Lovely pictures.

For natives of Hawaii, Aloha means not only hello and goodbye, but is the guideline to living life with love, peace, and compassion. Hawaii's unique culture, awe-inspiring geographic wonders, favorable climate and infectious charm make the island much more than just a popular vacation destination. It is among the most environmentally diverse places on Earth, consisting of eight main islands with over 10,000 plant and animal species found nowhere else in the world. National Geographic Hawaii 2017 visually explores the pristine beaches, lush rain forests, waterfalls and mountains, capturing the magic of the islands through a collection of stunning photographs. Each outstanding image is accompanied by insightful National Geographic information and a large grid with moon phases and international holidays. Proceeds from the sale of this calendar support vital exploration, conservation, research and education programs. The calendar includes a 3-year at-a-glance page and is earth friendly, printed with soya-based inks on FSC certified paper.
