0 of 0 people found the following review helpful. Not so much... By Kathryn O'Brien For a number of years, I have purchased my calendar from National Geographic. This years' is pretty awful, February looks like it was colored in with magic marker, pictures are not always sharp, what a disappointment! I dislike it enough that I'm buying someone else's, and I will trash this one.

Explore the Emerald Isle with National Geographic Ireland 2017. From the magical countryside to the pulsating capital city of Dublin, Ireland is a land where old and new thrive together. National Geographic provides a picturesque tour of both enchanted landscapes and cityscapes. The beautiful images in this year's calendar feature: Clifden Castle, County Galway; Fanad Head Lighthouse, County Donegal; Powerscourt Gardens, County Wicklow; Cobh harbour, County Cork; Ballymoney, County Antrim; St Patrick's Cathedral, Dublin; Sleah Head, Dingle, County Kerry; St Patrick's Cathedral, Downpatrick, County Down; Temple Bar, Dublin; Fore, County Westmeath; Giants Causeway, County Antrim; Blarney Castle, County Cork. Each outstanding image is accompanied by insightful National Geographic information and a large grid with moon phases and international holidays. Proceeds from the sale of this calendar support vital exploration, conservation, research and education programs. The calendar includes a 3-year at-a-

glance page and is earth friendly, printed with soya-based inks on FSC certified paper.
