**Christopher Baker : National Geographic Traveler: Colombia, 2nd Edition** before purchasing it in order to gauge whether or not it would be worth my time, and all praised National Geographic Traveler: Colombia, 2nd Edition:

3 of 3 people found the following review helpful. Biggest difference to the 1st edition is the front cover photo...By

matthias b jaffeI checked out the first edition (2011) from my local public library and thought it was OK. The second edition, being 6 years later, ought to have a bit new material or at least updates... Not so. Actually if you look at the table of contents of both books, they're not only 100% the same, but every subject coincides with the same exact page number in the two editions. There are a few updates, as in total population of the country and the CV of the author but almost nothing regarding new destinations, new restaurants or hotels. Not even the fact that there was a peace treaty with the guerrillas is mentioned and the same cautionary tale about not venturing off the beaten path due to the guerrillas kidnapping risk shows up unchanged. So if you can get the 1st edition used, you can save some money.0 of 1 people found the following review helpful. Five StarsBy Rob DeakerAppealing presented, with lots of pertinent information at the same time.

From the storied capital of Bogot to Medeln to the Amazon Basin, this guide to Colombia, South America, offers readers practical advice on planning your trip and explains the country in the context of its history, culture, cuisine, landscape, and flora and fauna. Acclaimed travel writer Christopher Baker explores the Eastern Highlands, the Caribbean Lowlands, the Western and Southern Highlands, the Pacific San Andrs, and Los Llanos the Amazon Basin. Contemporary editorial features and experiential sidebars highlight every aspect of life and every activity under the Colombian sun: how emeralds are mined and marketed, the history of pirates off Colombias shores, parrots and macaws, volcanoes, whale watching, and poison dart frogs. Gorgeous National Geographic photography and useful maps help you navigate your way around Colombia and its many landscapes: Take a walk through Bogots historic Candelaria district, take a drive through coffee country, follow in the footsteps of Gabriel Garca Mrquez, or enjoy a drive around San Andrs.

About the AuthorAfter studying geography at the University of London and Latin American studies at the University of Liverpool, CHRISTOPHER P. BAKER settled in California and established a career as a travel writer, photographer, and lecturer. He has authored and photographed the National Geographic Traveler guidebooks to Colombia, Costa Rica, Cuba, Dominican Republic, and Panama. His more than 20 other books include *Mi Moto Fidel: Motorcycling Through Castros Cuba* (National Geographic), *Cuba Classics: A Celebration of Vintage American Automobiles* and *Enchanting Costa Rica*. Bakerthe Lowell Thomas Award 2008 Travel Journalist of the Yearhas written for more than 200 international publications, including CNN Travel, National Geographic Traveler, and Robb Report. He has spoken at the National Geographic Society (televised live from National Geographic); has been profiled in USA Today; and has appeared on ABC, CBS, CNN, NBC, NPR and Fox TV, among other radio and TV outlets. He escorts National Geographic Expeditions tours and photo expeditions to Costa Rica, Panama, Colombia, and Cuba.
