Diane Haughney : Neoliberal Economics, Democratic Transition, and Mapuche Demands for Rights in Chile before purchasing it in order to gage whether or not it would be worth my time, and all praised Neoliberal Economics,

Democratic Transition, and Mapuche Demands for Rights in Chile:

"Makes a significant contribution to our understanding of the policies the Chilean government has pursued toward the country's indigenous population. The author highlights not only governmental policies since the end of the nineteenth century but also the responses of the indigenous communities to those policies. Most importantly, [she] gives the reader a clear indication of the devastating effects of globalization and the application of neoliberal policies on the indigenous communities in Chile."About the Author
