Prakash Raj : Nepali-English/English-Nepali Dictionary Phrasebook (Hippocrene Dictionary Phrasebooks)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Nepali-English/English-Nepali Dictionary Phrasebook (Hippocrene Dictionary Phrasebooks):

0 of 0 people found the following review helpful. Five Stars By John Just right for my beginning level. 0 of 0 people found the following review helpful. A bit small By Justin Brock This book is smaller than I expected. I suppose that's what makes it fit well in a backpack. If you wanted to learn the language thoroughly, I would not recommend this one. If you just need a quick translation for conversations and travel, this book looks like it would work, but I didn't end up needing it much on my trip. Most of the school aged children in Kathmandu speak some English. 0 of 0 people found the following review helpful. Very helpful in learning the basics of the language; ... By Customer Very helpful in learning the basics of the language; however, I wish it would show all verb tense conjugations for all pronouns!

Famed for its great natural beauty and rich cultural heritage, Nepal is the ultimate destination for trekkers and travelers. This two-way dictionary and phrasebook is designed for those who wish to communicate in Nepali and learn its basic vocabulary and grammatical structure. Although the Nepali is given in the Roman alphabet, the Devanagari alphabet is included at the beginning of the book for quick reference. A grammar section, pronunciation guide and practical cultural information provide further insight into the language and culture.
