Just remember that Nevada is a big state with lots of open empty ground. Not all things are as they may appear. Take tools, water, 2 spares, food, boots for walking and a sidearm for defense. It's wild country.2 of 2 people found the following review helpful. The Land I LoveBy Jenece HowardWe ranched in northern Nevada for 40 years. These maps are accurate with the names of people who lived in these picturesque mountains. It is easy to find your way around the roads. Anyone who wishes to see beautiful and rugged mountains
