for ...By zdevilThe book is a great guide for people new to New Hampshire looking for a few good hikes on their vacation. It helpfully categorizes each hike by length difficulty, and location of the trail-head. Also very useful were the "top ten" lists of best hikes for kids, best day hikes, best etc. If a new edition ever comes out I hope the author will add GPS coordinates for each trail-head, as some of them can be difficult to locate.2 of 2 people found the following review helpful.
