Eiji Kanno, Constance O'Keefe : New Japan Solo before purchasing it in order to gage whether or not it would be worth my time, and all praised New Japan Solo:

2 of 2 people found the following review helpful. Simply the bestBy P. WarrenI just ordered the 4th (1998) edition because we're visiting Japan this summer and my 1988 edition must be seriously dated. I've toured Japan extensively. For trip planning and practical guidance, especially if you're traveling by rail, this concise, well-organized book can't be beat. Not just the best travel book on Japan, the best travel book, period.0 of 0 people found the following review

helpful. Five StarsBy octavius neveuxGreat product. Very fast delivery14 of 18 people found the following review helpful. The Best Japan GuidebookBy A CustomerI spent three years in Japan and I had all of the major guidebooks, but none of them come close to this book. I just found that this book covers the material in an easy to follow manner. Also, the maps in this book are the best of any of the other books. You'll never get lost with this one. When I go back to Japan, this is the only guidebook I'll be taking with me.

Japan can be a bewildering place for the tourist traveling alone with little or no language skills. But with the right guide, it can be paradise. Published in cooperation with the Japan National Tourist Organization, New Japan Solo is that perfect travel companion. The latest edition of a book the New York Times called "indispensable" has been fully updated and provides a wealth of information far beyond the offerings of the typical travel guide: - Hundreds of listings for dining, lodging, and travel tips for all budgets-updated with current phone numbers, addresses, and prices - Suggested itineraries for trips of varying lengths to all regions of Japan - More than 200 regional and city maps, updated and with detailed transportation routes and landmarks - Place names in both English and Japanese - "Conversation cards"-passports to simple and enjoyable Japanese conversation - Concise directions, exact schedules, and latest train routes With its methodical approach and abundance of information, New Japan Solo gives an insider's view of one of the Far East's most desirable travel destinations, supplying everything necessary to make any sojourn a success.
