Professor Susan Miller : New Jersey's Southern Shore: An Illustrated History from Brigantine to Cape May Point before purchasing it in order to gauge whether or not it would be worth my time, and all praised New Jersey's Southern Shore: An Illustrated History from Brigantine to Cape May Point:

Tour New Jersey's southern shore. Comprised of fifteen beach communities including Atlantic City, Cape May, Wildwood, Ocean City, Stone Harbor, Avalon, Sea Isle, Margate, Ventnor, and Brigantine. Gently sloping white sand beaches appear on 268 color postcards that display the famous boardwalk of Wildwood and the stately Victorian town of Cape May. A wonderful souvenir for residents and tourists alike, and a good resource for postcard collectors.

About the Author Susan Miller's ties to New Jersey's Southern Shore run deep; She and her husband have been collecting postcards of the area for many years. They live in Ocean City.
