Philip Varney : New Mexico's Best Ghost Towns: A Practical Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised New Mexico's Best Ghost Towns: A Practical Guide:

0 of 0 people found the following review helpful. FunBy Amanda o'brienDated material. Written in the 80s-90s. We went to visit two towns. Both had street name changes which made it difficult to find.0 of 0 people found the following review helpful. Great places.By vickiGreat ghost towns.0 of 0 people found the following review helpful. Great for a travelerBy FJVVery thorough. Great for a traveler. Would recommend.

This useful guidebook surveys more than eighty ghost towns, grouped by geographic area. First published in 1981 and now available only from the University of New Mexico Press, it has been praised in particular for its instructions on how to reach even the most obscure sites.

"Varney's is the best of the New Mexico ghost-town books, and the University of New Mexico Press is to be congratulated for bringing it back into print." *Journal of Arizona History* "Very carefully compiled . . . an excellent book." *The Santa Fe Reporter* "Supplies just the information we need about New Mexico's ghost towns: maps, histories, photographic aids, road conditions, time allotment necessary, and current conditions. His appendixes include help for reading topographic maps, understanding mining terms, pronunciation of place names, and advice for hikers, bicyclers, and motorists." *New Mexico Magazine* **From the Inside Flap** This useful guidebook surveys more than 80 ghost towns, grouped by geographic area. First published in 1981 and now available only from UNM Press, it has been praised in particular for its instructions on how to reach even the most obscure sites. **From the Back Cover** This useful guidebook surveys more than 80 ghost towns, grouped by geographic area. First published in 1981 and now available only from the University of New Mexico Press, it has been praised in particular for its instructions on how to reach even the most obscure sites.
