waited 16 days for it, but i am happy and relieved to see it.0 of 0 people found the following review helpful. Five StarsBy CruzIt's very useful, clear and very handy0 of 0 people found the following review helpful. MAPBy Lisa CI purchased this map for my brother who recently moved to Queens New York. Although it's usable I didn't realize the map was several years old. It was in good condition and my brother is using it.

This New York City 5 Borough atlas is the most accurate of its kind. It includes a full street index, history, postal zones and stations, outdoor activities, a map of the Theater District and of Downtown, and a map of main routes that pass through the areas of New York City, eastern New Jersey, Nassau County, NY and Fairfield County, CT. The atlas shows 321 square miles of crisp, new digitized map, which makes all of the details sharper and cleaner. Features in this atlas include subway lines and stops, transportation information, and tolls for bridges and tunnels, airport maps, building numbers, direction of streets in Manhattan, schools, hospitals, ZIP codes and other points of interest in New York City.
