**From Periplus : New Zealand Travel Map Fourth Edition (Australia Regional Maps)** before purchasing it in order to gage whether or not it would be worth my time, and all praised New Zealand Travel Map Fourth Edition (Australia Regional Maps):

0 of 0 people found the following review helpful. A Poor Map for Planning TravelBy NicholasI purchased this map for travel planning, not a detail road map, and everything is too small to be of value. I get as much of a view on my computer and google maps. A waste of money.In addition to everything being tiny, there is no map references to find, for example, parks or other areas of interest.If it wouldn't cost more to send it back than the cost of the map it would be on it's way back to .0 of 0 people found the following review helpful. See New Zealand...go out and get lost, this will get you back!!By Rene J. DepontbriandGreat detail, sturdy for drive-hike-train trip, folds up compactly. SO glad we got it0 of 0 people found the following review helpful. UsefulBy mobley10125Appears pretty durable. good topographical highways #'s are clear. Bought a couple of others tho just for comparison.
