Very useful guide for newcomersBy Dora ExplorerVery useful guide for newcomers. I especially like the history of neighborhoods; it helped us identify what part of town fit our needs and personality as a family. Thanks!

Plus, other useful information about green living, child care options, transportation, local schools, recreation, housing, cultural life, day trips, shopping, an Atlanta year, and much more!

I recently moved to Atlanta from San Francisco, and LOVE the Newcomers Handbook for Atlanta. It has been an invaluable resource it s helped me find everything from a neighborhood in which to live to the local hardware store. I look something up in it everyday, and know I will continue to use it to find things long after I m no longer a newcomer. And if I ever decide to move again, your book will be the first thing I buy for my next destination. -- Courtney R.
