Austen Henry Layard : Nineveh And Its Remains before purchasing it in order to gage whether or not it would be worth my time, and all praised Nineveh And Its Remains:

2 of 2 people found the following review helpful. First-hand account of archaeology's most important discoveryBy Duncan MacLeodBefore Austen Henry Layard unearthed its remains, skeptics claimed that Nineveh was just a mythical concoction of Bible writers, or that if it ever existed, the Bible had exaggerated its dimensions and magnificence. What was discovered instead not only proved the skeptics wrong, but showed that if anything the place was even more magnificent than the Bible had pictured!Read Layard's gripping account of all he went through to

unearth the TRUTH about the ancient Assyrian capital, and see if at the end you're still a Bible skeptic. Hey, believe what you want; but PLEASE don't accuse Bible believers of accepting it "without evidence." Huh?0 of 0 people found the following review helpful. Great background on ancient cityBy McDonough CindyVery interesting book. Buying the kindle version saved me over 25 bucks and it is just as useful as a hardcopy book would be.2 of 2 people found the following review helpful. Nineveh and Its RemainsBy SamNiniveh and Its Remains is a fascinating account about the astounding discoveries made in Niniveh and in the surrounding areas. A must read item for anyone interested in a first hand account written by one of the pioneers uncovering the remains of the Assyrian Empire.

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

"One of the great archeology books of all time."--Brian Fagan from his introduction
