From imusti : Nomad Deluxe: Wandering With A Purpose (Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised Nomad Deluxe: Wandering With A Purpose (Classics):

Nomad Deluxe reawakens the deep-seated desire to escape to the most distant reaches of the globe. From the remote Siwa Oasis in Egypt to the rugged Adirondacks, from a frigid ice hotel in the Arctic Circle to the craters of the arid Atacama Desert, this book is an authentic guide to being a modern-day nomad in the know. Noted travel writer Herbert Ypmas commentary and gripping anecdotes make Nomad Deluxe an inspiring read. One look at his remarkable original photography, and suitcases will practically pack themselves.
