1 of 1 people found the following review helpful. Very HelpfulBy AkrvbobI'm new to North Carolina and wanted help choosing and visiting the beaches. This book gives a lot of good information, especially about avoiding the crowds, getting around in traffic, and where to park. An essential guide to NC beaches.

This revised and updated guidebook to the beaches of North Carolina, offers an insider's tour of more than 300 miles of coastline. Island by island and beach by beach, it shows where to go, how to get there, and what facilities can be found at each location.
