A nice snapshot of an intermediate time showing how the people in Hawaii, California, and Oregon lived. The author's perspective from all those years ago was informative also.1 of 2 people found the following review helpful. Not from the areaBy Peter FlackI'm am from New York moving to Sacramento area thanks to this book I have learned all about the area. I am not there yet .But thanks to this book I know what to aspect.0 of 1 people found the following review helpful. BoringBy Frequent BuyerBoring read

This book was digitized and reprinted from the collections of the University of California Libraries. It was produced from digital images created through the libraries mass digitization efforts. The digital images were cleaned and prepared for printing through automated processes. Despite the cleaning process, occasional flaws may still be present that were part of the original work itself, or introduced during digitization.
