National Geographic Maps - Trails Illustrated : Northville-Placid Trail (National Geographic Trails Illustrated Map) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Northville-Placid Trail (National Geographic Trails Illustrated Map):

1 of 1 people found the following review helpful. My new "go to" maps
By Customer This is my first but certainly not my last National Geographic Map. The pages are tough, waterproof, clearly printed and include a complete grid so finding your way with a compass or GPS is a breeze. The old ADK maps were fine but this is far better and I think every wilderness hiker should be carrying one.

By mtnhiker46 Great Map.

Waterproof Tear-Resistant Topographic Map National Geographic's Trails Illustrated map of the Adirondack Park, Northville-Placid Trail combines unmatched detail with helpful information to offer an invaluable tool for making the most of your visit to this 130 plus mile long trail. The Northville-Placid Trail (NPT) is the jewel in the crown of the Adirondack Park trail network. The NPT was constructed in 1923 through remote lake country. The map is expertly researched and created in partnership with the Adirondack Mountain Club (ADK). This map can guide you off the beaten path and back again through the wildest and most remote sections of the 6.1 million acre Adirondack Park. The trail is commonly traversed from south to north with hikers starting at Northville in the Shaker Mountain Wild Forest. From there hikers travel through the Silver Lake Wilderness then past Piseco Lake and into the West Canada Lake and High Peaks Wilderness areas. The northern terminus of the trail is near the town of Lake Placid, home to the 1980 Winter Olympics. Along the way the numerous features are shown including shelters, designated backcountry campsites, and stream crossings. Every Trails Illustrated map is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation. Other features found on this map include: Piseco Lake, Panther Mountain, Blue Mountain, Vanderhacker Mountain, Owls Head Mountain, Owls Head Mountain, Adirondack Mountains, Adirondack Mountains, MacIntyre Mountains, Iroquois Peak, Boundary Peak, Algonquin Peak, Tupper Lake, Tupper Lake, Street Mountain, Ampersand Mountain, Upper Saranac Lake. Map Scale = 1:75,000 Sheet Size = 25.5" x 37.75" Folded Size = 4.25" x 9.25"

About the Author Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
