NW road-trip companionBy MVPWhile this book may be a little outdated (some businesses have closed since the book was published), it served as an essential reference source for my husband and me during our budget road trip through Oregon last summer. This guide to inexpensive places to eat and stay in Washington, Oregon, and British Columbia uncovers big-city bargains in Seattle, Portland, and Vancouver, as well as ideas for weekend getaways or longer trips, including deals and discounts on major attractions, shopping, concerts, theater tickets, tours, festivals, and more.
