**Rachelle Kaufman : Now, I Know My European Language Colors (Now, I Know my Languages!)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Now, I Know My European Language Colors (Now, I Know my Languages!):

Both a language and a coloring book in print format! Color while you learn! Expose your child (or yourself) to 37 different languages from all over Europe! Language skills are great for the brain! Your child's potential to learn is huge! In this book, we journey through 47 different European countries using stories and games. In this edition, we focus on colors. Languages include: French, Spanish, German, Italian, Icelandic, Norwegian, Swedish, Danish, Dutch, Irish, Portuguese, Catalan, Latin, Maltese, Greek, Turkish, Bulgarian, Russian, Romanian, Ukrainian, Finnish,

Estonian, Latvian, Lithuanian, Belarussian, Polish, Czech, Hungarian, Serbian, Albanian, Bosnian, Croatian, and Slovenian. This book features environmentally friendly and animal friendly values. Help your child grow intellectually and in a socially responsible way at the same time! This book is best viewed on devices that support color.
