Katherine Garner, Carol Kettner : Oahu Beach Access: A Guide to Oahu's Beaches Through the Public Rights of Way before purchasing it in order to gauge whether or not it would be worth my time, and all praised Oahu Beach Access: A Guide to Oahu's Beaches Through the Public Rights of Way:

13 of 13 people found the following review helpful. beaches!!By M. ForsythKatherine And Carol have done a great service to both residents and visitors to O'ahu trying to locate sometimes hidden beaches . Hawai'i state law declares

all beaches to have public access (in deference to native fishing and gathering rights). Often the signs indicating passage to a beach are missing or defaced or too small to read. The book is beautifully organized, area by area, and makes finding those passages much easier. So, as pure information, the book is unique and priceless. It is also decorative, copiously illustrated with lovely photographs...and it is portable. I, as a resident, keep it in my car's glovebox for quick reference.

0 of 0 people found the following review helpful. We love being in or near water and prefer places that ...By Jean MRacing on Hawai'i in April. After that we are heading to O'ahu for a week. This will be our first trip to O'ahu. We love being in or near water and prefer places that are quieter. This book gives good directions and descriptions of many beaches, complete with maps and photos. Looking forward to hitting the road on O'ahu with this book in our bag.

1 of 1 people found the following review helpful. Excellent guideBy Dani DaherVery thorough book, I always keep it in my car. It is nice to explore all the beaches around Oahu.

Did you know that many of Oahu's best beaches are easily reached by public rights of way? Do you want to explore Oahu's vistas and water playgrounds beyond Waikiki, but aren't sure where to go and whether they are accessible? Oahu Beach Access unlocks access to the island's priceless panoramas and beach parks by detailing the location of its 89 Public Rights of way. Here are the beaches that cover every interest--sunbathing, swimming, snorkeling, picnicking, fishing, surfing, and more. Organized by twelve coastline sections of the island, details on directions, parking, marine life, and restroom availability are presented in a reader-friendly format. A convenient activities table is provided for easy reference, along with simple maps and color photos for each beach access. Each chapter includes some local history and colorful anecdotes about the locale.

From the Inside FlapDid you know that many of Oahu's best beaches are easily reached by public rights of way?
