Ocean City History and Photos.By Glenn1104If you have ever visited Ocean City N.J. and wondered what it looked like in the "good old days" this book is a must. It is interesting to see in old pictures how the town grew and what stood on familiar streets back in the day.0 of 0 people found the following review helpful. Ocean City is among the nations most popular vacation destinations. Founded in 1879, it has evolved from a Christian-oriented summer resort to a year-round community that mirrors the many facets of Americas diversity. The areas wide, sandy beaches and lively boardwalk continue to attract thousands of visitors each year. Ocean City, New Jersey Volume II uncovers many more vintage photographs of the towns seaside attractions and features rare scenes of the community, its politics, the impact of World War II, and the unusual events that have become the hallmark of parades and celebrations held here. From Martin Z. Mollusk to the Miss Miscellaneous Contest, Ocean City has had a long and animated history of offbeat traditions.
