But I bought Mike's Guide to Better Slot Play earlier and remembered how much I learned from it. Well this book is just as good. The book is full of lots of tips and is set out in a manner that is very easy to follow. The tip on how to get a free cruise is excellent. I read the

book in one day and I know it will help me plan my next cruise. CS - Love to cruise 0 of 0 people found the following review helpful. This was an easy, enjoyable read and full of the kind of ... Five Stars By Customer Found this book very informative. It will Definitely help with booking my next cruise.

Ocean Cruise Travel Tips is the perfect companion for anyone planning a cruise. Its just 120 pages, easy to read, funny and informative. It is full of personal experiences and loaded with tips for the first time cruiser to the avid experienced cruiser. The book covers selecting a destination, choosing the right cruise line for you based on price/performance, brand, passenger demographics, wellness and loyalty programs. It covers how to get the best price for a cruise and when to book it. The book is full of references to websites that will save you time when planning your cruise. It will tell you how to get alerts when prices drop and where to get the best deals. There is even a section on how you can get a free cruise without spending the rest of your life cruising. This alone is worth the price of the book.
