Israel Palestine : Official Map of Israel Palestine Israeli Settlements Beyond the Green Line Interim Agreement 1995 Peace Oslo Accords before purchasing it in order to gage whether or not it would be worth my time, and all praised Official Map of Israel Palestine Israeli Settlements Beyond the Green Line Interim Agreement 1995 Peace Oslo Accords:

Here's a GIANT map drawn up by negotiators on the Israeli (and I assume palestinian terrorist side as well) which was labeled as an "Israeli Palestinian Interim Agreement". I do not know if negotiations broke down or not, but this map at least came as a result of these negotiations. As far as I know this map was NOT published in a book in its current format, so this is quite a historical piece. The map is on a scale of 1:100,000 and as I mentioned is a GIANT map measuring 4 feet 7 INCHES X 2 FEET 6 INCHES. The map's legend also includes icons for: joint mobile unit, joint patrol road, jewish holy site in area A (the Arab controlled area), and more! The map's purpose as stated is: "A consolidated map (not original) of the interim agreement maps of the West Bank Zone...this version of the interim agreement map should not be regarded as authoritative". Nevertheless, it is here, perhaps for the first time that the liberated territories are referred as area's A, B and C (which was then called "special case"). Also, this map was/is

NOT available in any store or to be found in any book. A real authentic piece of history in the making.
