1 of 1 people found the following review helpful. Does not have detail of the whole island.By David L. HadleyThis is not a very good map if you want detail roads for the whole island, The middle part (Okinawa City) is missing. They put Kagoshima on it, but that is not even part of Okinawa. That is mainland Japan.0 of 0 people found the following review helpful. Five StarsBy Nevin M.Great reference0 of 0 people found the following review helpful. Not easy to useBy Joe M. CummingsMaps are hard to use and not easy to carry around and find locations
