**Raymond Day Watts : Old Age and Three Virtual Remissions** before purchasing it in order to gage whether or not it would be worth my time, and all praised Old Age and Three Virtual Remissions:

0 of 0 people found the following review helpful. SurpassingBy SuzantRay Watts book is excellent and insightful - a poignant look at life as we age. I highly recommend this book for progressive types of any age.0 of 0 people found the following review helpful. Wonderful and life givingBy JohnThis is an amazing book that gives hope to other seniors. Hope that there is life after 60, and life to the fullest. The author's writing is honest, humorous and sometimes tongue and cheek. That makes it easier to deal with some of the serious issues he covers. The illustration are amazing. This book is a life changer.

Old Age and Three Virtual Remissions is a courageous book of hope, a completely uninhibited, sexually explicit and intelligent adult book about life, love, sex, old age and death. Ray Watts has expressed his life in this book with

complete honesty as he tells us the story of his wife, medical ailments and how his dreams ultimately fulfilled his emotional and physical needs. This book is unflinchingly real and was written for anyone, especially for those who have grown old ... but not too old to remember, and to dream. Some of the illustrations are quite honest and explicit, beautifully rendered with exquisite detail by the illustrator, Susan Spangler.
