**Alistair Mackenzie, Lucie Cruickshank : Oman Explorer: Residents' Visitors' Guide (Explorer S.)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Oman Explorer: Residents' Visitors' Guide (Explorer S.):

Here it is - the eagerly anticipated and most excellent Oman Explorer! Whether you're visiting for business or coming on your hols, a long-time resident or just fresh off the plan, this bulging book can answer the questions you didn't even know you had. Let it be your guide through Oman's baffling bureaucracy and breathtaking beauty. Let it take the hassle out of housing and the headache out of healthcare. And let it point you in the right direction when you want to

eat out, drink up or party on. It's all in here, so off you go! Features include: Oman overview, History and Culture, New Residents' info, Sports and Leisure, Shopping, Eating Out, Nightlife, Maps.
