**Explorer Publishing and Distribution : Oman off-Road** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Oman off-Road:

Reason I bought this is I borrowed one from a colleague and after 6 months had to return it and there are still so many things to be done- so I had to buy my own. I have done a lot of the wadi walks and also Jabal Shams and Jabal Akhdhar and have not been disappointed with any of the trips.
