Mr. Rory Patrick Allen : Oman Under Arabian Skies: Unabridged before purchasing it in order to gage whether or not it would be worth my time, and all praised Oman Under Arabian Skies: Unabridged:

3 of 3 people found the following review helpful. OMAN: A COUNTRY WITH PEOPLE NOT UNLIKE USBy M.E. WilsonThis is a region that I know so little about and the writer brings it alive. His journey through this strange and compelling land is an eye-opener. From the customs of the people whom he got to know intimately, and the landscape itself, one learns so much about what makes Oman what it is. IN a time of turmoil in the Middle East it is a refreshing story of hope.1 of 1 people found the following review helpful. Hard to Put DownBy Matt WalkerI couldn't put this

book down. I knew very little about Oman when I decided to read Arabian Skies. Now I've added a trip to Oman to my bucket list. I only wish Rory would write more books! Highly recommended. 2 of 2 people found the following review helpful. Awesome personal account By iva bridges I enjoyed this personal account of a land I had barely heard of. The chance to see it through the eyes of someone from a similar culture made it relative and easier to comprehend.

A traveller's tale through the exotic land of The Sultanate of Oman. A land of oases, deserts, mountains and ancient cities carved from stone. A land that boasts The Queen of Sheba, Sindbad the sailor and the lost city of Ubar that has been buried beneath the sands of The Empty Quarter for millennia. A country that was heralded for its' wealth in Frankincense and it is from Oman that the ancient trade of Frankincense began in the Classical World. Oman is a country where Bedouin still wander through the desert as they have since time immemorial. A mystical country where eagles soar over the mountain that is home to the Tomb of the prophet Job, a prophet in Judaism, Christianity and Islam. Embark, with the author, on a magical and mystical Arabian Odyssey through The Sultanate of Oman.

"A travel guide with the delights of a traveller's tales." --"Oman Today" July 2010 "The sigar reincarnated, yet he is cruising the empty quarte in a jeep rather than on a camel" --Times Of Oman August 3 2010 "Rory's book on Oman packs passionate tales of his unique experiences." --Muscat Daily June 09 2010 "Like a painting in words" --"The Week" Oman June 2010 "Oman, Under Arabian Skies is a comeback to the literary tradition of travel literature." --"The Beacon Literary " Oman July 2010 From the Inside Flap "A land that boasts the Queen of Sheba, Sinbad the sailor and The Lost City of Ubar buried for millenia under The Arabian Sands....."
