the following review helpful. Perfect for the hard to shop for person!By K4rnrPurchased this book for my in-laws. They are so difficult to buy for and this was the perfect gift for them. They love exploring, traveling and history. This book gives them a ton of options and they have already marked the first trip they plan on taking. AWESOME gift for the hard to shop for person!1 of 1 people found the following review helpful. One Tank Trips, Great Book enjoyed itBy M.Diane HartnettEnjoyed this book, close enough to take a trip with good directions, spots I have never been to will use it and lend it out, some people interested and are going to send for book or already have. My son has one but his is different I was trying to buy that one but it was all sold out...would recommend One Tank Trips.
