**Duncan J. D. Smith : Only in Zurich: A Guide to Unique Locations, Hidden Corners and Unusual Objects ("Only in" Guides) (Only in Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Only in Zurich: A Guide to Unique Locations, Hidden Corners and Unusual Objects ("Only in" Guides) (Only in Guides):

1 of 1 people found the following review helpful. GREAT content, needs to do better with navigation  
By Glenn Mercer  
Pro's: Zurich natives I showed this to agreed it had all the most interesting sites, and with good detail on those sites.  
Con's: The author warns you that standard guidebooks will provide detailed maps, and so this book provides few navigation aids. I understand the philosophy here, but it does mean that if one does not know Zurich, one cannot use this book without also fumbling around with a second map, or a smartphone map. I think the book could be greatly improved if even small inset maps were provided with each site. Put the burden on the reader to find the right neighborhood, but then assist us with the precise location. We spent a LOT of time aimlessly wandering, sure we were CLOSE to the sight being discussed, but frustrated that we couldn't figure out which corner it was around

Discover Europe with the 'Only In' Guides! These ground breaking city guides are for independent cultural travellers wishing to escape the crowds and understand cities from different and unusual perspectives. Unique locations, hidden corners and unusual objects. A comprehensive illustrated guide to more than 80 fascinating and unusual historical sites in Switzerland's largest city - Ancient walls, secret gardens, curious museums, converted factories, and shops with a difference. Follow the history from Roman Turicum and the Old Swiss Confederacy to the Helvetic Republic and the Industrial Revolution including sites such as; A most complicated clock, An elephant in the woods, The emperor's paddle steamer, and the original 'Dark Restaurant'. While there you can have coffee with Lenin and follow in the footsteps of James Joyce.

This book has helped me see Zurich through a fresh lens. -- Reader review  
In a world where places become ever more similar, it is an absolute joy to stumble on the 'Only In' Guides. The author brings to the series the gaze of the enquiring outsider. A refreshing alternative to the prevailing tide of uniformity favoured by too many travel guides.-- Hidden Europe magazine  
About the Author  
The 'Urban Explorer' Duncan J. D. Smith is a travel writer and photographer. In his ground breaking 'Only In' Guides he reveals European cities from unique and hidden perspectives. He has travelled across several continents and described his experiences in books, magazines, and online. Born in Sheffield, England in 1960, he studied history and archaeology at university. He is a Fellow of the Royal Geographical Society.
