Lucidmap Inc., Howard Pulver : Ontario Bicycle Touring Atlas before purchasing it in order to gage whether or not it would be worth my time, and all praised Ontario Bicycle Touring Atlas:

Get out your bicycle and enjoy touring in Ontario! The Ontario Bicycle Touring Atlas is a detailed atlas of Ontario backroads, highlighting cycling routes throughout the province. These routes were developed over the course of a decade, selecting quiet scenic roads throughout Ontario. Routes have been selected based on the experience of Bike On Tours, responding to requests for routes through various areas. There are long distance linear routes as well as looping routes suitable for day trips or weekends. Features: Niagara Falls and the Niagara Parkway; Wineries in Niagara; Lake Erie's North Shore and Prince Edward County; First Nations communities including Six Nations, Kettle Point, Alderville and Garden River; French Canadian Communities in Eastern Ontario and Chatham - Kent;

Mennonite Communities in Waterloo Region and area; Ontario's last remaining covered bridge at West Montrose; Attractions, theatres and festivals. The routes are mostly paved scenic secondary roads bike paths where available .Bike route connections across Ontario from all United States, Quebec and Manitoba border crossings. There are also suggestions for nearby restaurants, accommodation and camping in the comprehensive community index. The proposed Cycle Ontario Alliance Ontario Bike Routes are also identified.
