Valerie Qwinner : Open Road's Paris with Kids 4E (Open Road Travel Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Open Road's Paris with Kids 4E (Open Road Travel Guides):

0 of 0 people found the following review helpful. No updates from previous editionBy CustomerThis is a great series of travel books with families in mind. This 4th edition is almost word for word the same as the 3rd edition. So while it

may be printed in 2015, don't expect it to be an updated version if you have the 3rd edition. So 5 stars for the book, 1 star for the 'new' edition.

The only comprehensive guide to taking the family to Paris! You're going to Paris? And taking the kids? No problem. Open Road's Paris with Kids offers insider tips for combining adult, romantic Paris with the city's kid-friendly adventurous aspects. The author presents a wealth of advice on how to plan a family visit to Paris, and how to have a blast while you're there. It shows how to enliven the tourist experience of Paris for youngsters: sending them searching for gargoyles, tracing the Secret of the Sorcerer's Stone in the Marais, and of course stopping by EuroDisney and the Eiffel Tower. This new fourth edition features kid-tested recommendations for family-friendly hotels and restaurants, both in Paris and on day-trips outside the city. We include where to shop with kids for food, clothing, toys, English-language books, and other souvenirs; we offer our favorite playgrounds, green spaces, and amusement parks, suggestions for sports activities, and where to see magic shows, ride in a hot-air balloon, find kids gourmet cooking classes, and how to make museums fun and enjoyable for the little ones. Fun sidebars, graphics, illustrations.
