From Benchmark Maps : Oregon Road Recreation Atlas before purchasing it in order to gage whether or not it would be worth my time, and all praised Oregon Road Recreation Atlas:

0 of 0 people found the following review helpful. So glad I finally got it...USPS goof up.By John BarryYes, it finally arrived...USPS gave it to the wrong address. Looking forward to using it this year. My old one was over 10 years old...so now I have a more up to date hiking/camping/road map.0 of 0 people found the following review helpful. Better than the Big Name competitorBy inspectorrgadgetIn a local book store, I did a side-by-side comparison of this Oregon atlas with the one made by the bigger name. If this were school, this would get an "A" grade, and the big name one would only get a "B+". I wish this company's products were easier to find.

Oregon is the home of Benchmark Maps. Our love and high-regard for this beautiful state is on proud display on every page of this atlas. Over 150,000 copies have been sold since its introduction in 1998...an acceptance that has made this atlas one of the most successful Oregon map products ever. The new 5th edition has improvements has insure its continued success. Benchmark s field-checked Landscape Maps™ are now 10% larger and show ground-cover detail at a very high-resolution. It s easy to see, at-a-glance, whether an area is forested, cultivated, marshland, desert, or scrubland. This feature is ideal for the person who wants to know the most about an area being visited beforehand. Along with the all-new Landscape Maps™, Benchmark has extensively revised the Portland Metro area map. Of course, the atlas still has features people love; a complete Recreation Guide, page-to-page overlap and legendary

accuracy, features that assure this atlas will continue winning accolades for many years to come.
