Imus : Oregon Topo Travel Reference Map by Imus (American Landscapes) before purchasing it in order to gage whether or not it would be worth my time, and all praised Oregon Topo Travel Reference Map by Imus (American Landscapes):

3 of 3 people found the following review helpful. Beautiful map By Mary Even though I use maps on my phone, I still like a good complete easy paper map in my car. This map has so much info that sometimes I pull it out to browse when I'm eating lunch in my car. 0 of 0 people found the following review helpful. Awesome map! By Michael T. Williams David Imus is a gem! 2 of 3 people found the following review helpful. Awesome map, but better deal direct

from the sourceBy Sven MasuroThis is a great map from a renown map maker, and while I love and shop here all the time I found that you can buy this map for 9.95 with free shipping directly from the website of the author DAVE IMUS. Just Google his name and it should be the first hit that comes up, and then navigate to "Shop" in the top menu, where you can select this or one of his other great award winning maps.

Folded road map and travel guide. Pacific coast to Wallowa Mountains USA. Scale 1:750,000. Distinguishes roads ranging from freeways to primitive roads (4-wheel drive). Legend includes Amtrak routes, Oregon trail (historic), state parks with camping, state parks (day use only), ranger station and/or visitor center, state wildlife areas, airports, alpine ski areas. Includes list of Oregon scenic byways, scenic waterways and national wild and scenic rivers. Indexed. Mileage table.

About the AuthorImus Geographics is a three-time recipient of America's highest award for cartography.
