Marco Polo Travel Publishing : Oslo Marco Polo Guide (Marco Polo Guides) before purchasing it in order to

gauge whether or not it would be worth my time, and all praised Oslo Marco Polo Guide (Marco Polo Guides):

7 of 7 people found the following review helpful. Best guide for OsloBy booktalk29This is a FANTASTIC guide and the best one for Oslo! I go to Oslo often and know the city well; Oslo is such a small city, and it is quite easy to get around it. But sometimes it feels like you have seen everything -- there is, after all, only one main (gorgeous) boulevard in the entire city (Karl Johans Gate).This guide has great tips and insights, and also great maps of Oslo. I think you can definitely see all of Oslo in just a few days, and this book will help you a lot. It is especially nice to have a breakdown of price categories for restaurants, since you can't just really walk off the street into a restaurant in Oslo -- the prices for most are very high for just a regular meal.Overall, this book is a very monetarily cheap investment for what will surely be a very expensive trip to Oslo!0 of 0 people found the following review helpful. Five StarsBy patrick jonesall as expected0 of 0 people found the following review helpful. Four StarsBy Vinesh BahlGives you a fair idea of things to see.
