Amy Bergman, Stephanie Dunnwind : Out and About Seattle with Kids: The Ultimate Family Guide for Fun and Learning (Out and About with Kids) before purchasing it in order to gage whether or not it would be worth my

time, and all praised *Out and About Seattle with Kids: The Ultimate Family Guide for Fun and Learning (Out and About with Kids)*:

0 of 0 people found the following review helpful. Good Book for Parents
By Teresa D. Jenkins
Useful book. Wish it had more colorful pictures. It is really for parents to browse and use and not for kids to read and find places to visit.
11 of 12 people found the following review helpful. A reasonably good book on doing Seattle with kids
By A Customer
Generally good content on fun things do with children in the Seattle area. Few overall maps make it less practical for "in-car" use and for non-Seattle natives who aren't terribly familiar with the regions. Organized by type of activity, so it doesn't answer the question of "what's interesting to do around here or nearby?"
1 of 1 people found the following review helpful. Moving here with kids? Skim it all, then reference as needed
By R. WINN
If you're moving here with kids, take the time to skim this book all the way through to get an idea of what sort of things you can find here. Then when you want a particular activity, you can look it up again.

Generally good content on fun things do with children in the Seattle area. Few overall maps make it less practical for "in-car" use and for non-Seattle natives who aren't terribly familiar with the regions. Organized by type of activity, so it doesn't answer the question of "what's interesting to do around here or nearby?"
