Richard Brownsdon : The New Brazil Travel Guide: Eco Tourism, Social Entrepreneurs, and Inspiring Adventures through all five regions before purchasing it in order to gage whether or not it would be worth my time, and all praised The New Brazil Travel Guide: Eco Tourism, Social Entrepreneurs, and Inspiring Adventures through

all five regions:

0 of 0 people found the following review helpful. Excellent Brazil Travel GuideBy T. ZiebroGreat guide for Brazil. I wish that I had this 2 years ago when I visited.0 of 0 people found the following review helpful. A fun readBy CustomerA fun read that has some good information you wouldn't find in traditional travel guides. Richard is clearly an interesting chap and I look forward to his next book.0 of 0 people found the following review helpful. Must Read before Brazil!By JoshI've been to Brazil before, but there's a lot in here I didn't know. If you want to get away from the usual tourist trail, this book is for you.

Do you want to know where you can swim with enormous fish in crystal clear hidden rivers, without harming the ecosystem? Or how you can safely visit the inner city favelas, and help support the people that live there at the same time? Perhaps you'd like to stay at the most beautiful hotels and guesthouses, while knowing that your choice is benefiting the local community and environment? Welcome to a new type of travel guide. A guide told in stories. Through it, you'll discover how you can have the adventure of your lifetime. And if you are not traveling right now, don't worry. The adventures and stories will entertain and encourage you to get planning and start packing! In this book you will hear from some of the most inspiring people that live in Brazil, and what it took for them to bring their dreams to life, for you, and for their country. You'll read about the secret places that not even a local would know. You'll find stories of eco-tourism and social entrepreneurship from all five regions of this vast country. This book will leave you with the inspiration, tools, and resources to make your journey like no other you have ever experienced. Your author, Richard Brownson, is an international award winning travel writer, blogger, and successful entrepreneur. He has travelled to more than 50 countries, runs his company on the move, and loves to share what he learns with his readers. He writes about ecotourism, responsible travel, entrepreneurship, and social enterprise around the world. His work has been translated into several languages, and seen in major travel and international publications, including The Guardian.
