**David Pearson, David Middleton : The New Key to Ecuador and the Galapagos (New key guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The New Key to Ecuador and the Galapagos (New key guides):

Small and accessible, Ecuador offers the quintessential South American experience. Here, the world's largest rain forest and most famous naturalist islands come together with sandy beaches and snow-capped peaks, colonial towns and native villages to form a premier destination for tourists and adventurers alike. This guide will help the ecotourist find his or her way. Line drawings color photos. 12 maps.
