Easy to open and lay flat. Paper and printing is outstanding. Lay out is great and tabs and ribbons make it a snap to relocate items. This will not provide a full or definitive answer to what to do in any given location but it will provide an outstanding frame work.. Also great when two people are planning a trip. A heck of lot easier to compare selections in a book versus a iPad. Content is superb. A fun way to plan a trip. Find a location and read what the Times had/has to say about a destination. 2 of 2 people found the following review helpful. Four Stars By Nicholas Only covers cities but a great way to plan a trip! 0 of 0 people found the following review helpful. A very cool resource! By Tammy B. O'Neill Very cool book -- I bought it

as a gift for my husband and he loves it. A lot of great information and easily markable. We will be using it to plan our next trip to Europe.
