Pamela Nowicka : The No-Nonsense Guide to Tourism before purchasing it in order to gage whether or not it would be worth my time, and all praised The No-Nonsense Guide to Tourism:

0 of 0 people found the following review helpful. Great bookBy nickVery in-depth look at human sexuality1 of 1 people found the following review helpful. Disturbing.By Midwest MikeThe tourism industry is changing the world. It

is easy to assume that tourism in the "Global South" (i.e. Africa, Latin America, Southern/Central Asia, the Mideast) is beneficial to impoverished people. Unfortunately, this assumption is largely false. As this book shows, the relationship is largely exploitative, and the local poor often gain far less than they lose. For socially conscious people who enjoy travel, this is an absolute must read.
