From Nortex Press : The Nunavut Handbook: Travelling in Canada's Arctic before purchasing it in order to gage whether or not it would be worth my time, and all praised The Nunavut Handbook: Travelling in Canada's Arctic:

0 of 0 people found the following review helpful. The deep north of CanadaBy AFullerViewA very fascinating guidebook even if you are not planning to visit the deep North of Canada. What an amazing part of the world. And with the Article under threat read it and make your travel plans. The book is not probably a bit out of date on specific logistics but the their overall info if still valuable.
