Joni Seager : The Penguin Atlas of Women in the World: Fourth Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Penguin Atlas of Women in the World: Fourth Edition:

The most up-to-date global perspective on how women are living today across continents and cultures In this completely revised and updated fourth edition of her groundbreaking atlas, Joni Seager provides comprehensive and accessible analysis of up-to-the-minute global data on the key issues facing women today: equality, motherhood, feminism, the culture of beauty, women at work, women in the global economy, changing households, domestic violence, lesbian rights, women in government, and more. The result is an invaluable resource on the status of women

around the world today.
